Career opportunities

Graduating students who confidently step out through the portals of our School have consistently been hired into premier research institutions and Pharmaceutical / Biotechnology industry. Yet others have been successfully admitted into coveted doctoral programs in India or abroad. Our highly motivated faculty members are dedicated to train our students to aim for the best in science and in life. Needless to add, this has translated into our School's stellar placement track-record.

A premier centre for higher education and research in life aciencea in India under the aegia of Amrita Viahwa Vidyapeetham

Recognized by Government of India as a Centre of Relevance and Excellence (CORE) in Biomedical Technology

Faculty includes several Ph.Da with domain expertise recruited from around the globe

School of Biotechnology offers Amritavidyanidhi, a privileged scholarship program for select top performers from the postgraduate programs.

A few examples of our placement success

- Re-accredited by NAAC with 'A' grade
- State-of-the-art infrastructure for academia &
- Exposure to a cade mic programs and research in cutting-edge areas
- 94% of graduating atudents placed in leading research institutions and industry
- Located in the beautiful Amritapuri Campus of Amrita Viahwa Vidyapeetham

The Admissions Coordinator, School of Biotechnology Amrita Vishwa Vidyapeetham (Amritapuri Campus) Clappana P.O., Kollam, Kerala 690 525 Apply online: www.biotech.amrita.edu/admissions

Postgraduate Programs

I M.Sc. Biotechnology

I M.Sc. Microbiology

I M.Sc. Bioinformatics

School of Biotechnology

Inspired by Creativity Focused on Excellence

Undergraduate Programs

B.Sc. Biotechnology

B.Sc. Microbiology

May 30: UG Applications End

Amrita Vishwa Vidyapeetham has a major role to play in transforming our society into a knowledge society through its unique value-added education system

Dr. A.P.J. Abdul Kalam Former President of India

- A trailblazer in the Biotechnology arena since its inception in 2004
- Well established UG and PG programs in Biotechnology, Microbiology and Bioinformatics
- Established as a TIFAC Centre of Relevance and Excellence (CORE) in Biomedical Technology under the DST Mission REACH Program.
- Stellar Placement Record for M.Sc. graduates at all major Biotechnology institutions and companies across the country and globally
- Dedicated Faculty with extensive research experience in labs across USA and Europe, now pursuing research projects of immediate societal impact
- Substantial funding from DST, DBT, ICMR, CSIR, MHRD and the Bill and Melinda GATES Foundation along with ongoing collaborations with major Universities including Johns Hopkins University (USA) and UCSD (USA).
- Strong collaborative interactions with

- industry e.g. Lupin Pharmaceuticals,
 Agilent Technologies, Wipro Limited.
- Large number of students enrolled for the Ph.D program with research fellowships (JRF, SRF) from DBT, CSIR, BMS, ICMR and guidance from established experts in their respective fields of research.
- State-of-the-Art infrastructure and research facilities with strong industry collaboration facilitating student project internships and subsequent placement (e.g. Agilent, Biocon, Lupin to name a few)
- Research focus spanning a wide spectrum of areas in the Biological Sciences
- Selected for the Bill and Melinda GATES Foundation-DBT-BIRAC Grand Challenge India Award for the project to explore novel approaches to sanitation solutions in India.
- Collaboration with University of California, San Diego (UCSD) as part of Tata Institute of Genetics & Society (TIGS) to develop strategies to combat antimicrobial resistance.

Top in India

Amrita is ranked topmost among the Private Universities in India for excellent global connections and state-of-the-art infrastructure (Source: BRICS, QS Ranking, THE) 2015-16

ACADEMIC EXCELLENCE ENRICHED BY HUMAN VALUES

Amrita Vishwa Vidyapeetham personifies a world class multi-disciplinary, research intensive University with national and international repute. Our educational system is modern and comprehensive, with special emphasis on core human values. The exceptional quality of our educational system enabled us to be ranked with prestigious institutions like Indian Institute of Science and Tata Institute of Fundamental Research in review of Deemed Universities by the Ministry of Human Resource and Development (MHRD), Govt. of India
