

ECIF presents,

ELECTROARTICO

1 Get Inspired

The Tech Industry is constantly striving towards a better future. Every day, every minute a new gadget is there to make the world a better place.
Want to know how?

2 Get Involved

Find out what change is being brought and what change you can bring in the society of Technology. Submit your articles and let them know what you've got.

3 Get Recognized

The short listed articles will be put up on all the notice boards across the campus. The best among those to be published in the Tech magazine of the college.

THE SEARCH FOR THE "TECH GEEK" HAS BEGUN!
