

## Entrance Examination Pattern and Details in Management

There are two components to the admission process:

1. Written examination
2. Personal Interview

The written examination is 2.5 hours long.

The exam paper consists of five sections having 60 questions each. The sections are Vocabulary, Reading comprehension, Reasoning, Aptitude and Data interpretation. The questions are of multiple choice type where correct answer would give you 1 marks and wrong answer would fetch a negative score of 0.25 marks.

Interviews would be scheduled following the written examination. The schedule would be shared with the candidates on 10th after the written examination.

Results would be declared in two weeks time after the interview.
