Total working days from February 14 to December 5 - 240 days

	Lecture	SGT / Practical	SDL	ECE	Total hours
Anatomy	180	440	38	24	682
Physiology	109	321	27	26	483
Biochemistry	71	152	15	27	265
Community medicine	15	24	5		44
AETCOM					23
Pandemic module					4
FA & Term examinations					82
Foundation course					175
Grand Total					1758

SGT –Small group teaching

SDL – Self directed learning

ECE – Early clinical exposure

FA – Formative assessment

Foundation Course Modules

1. Orientation Module

30 HRS

1A. Orientation Module: Introduction to institution / campus / facilities

1B. Orientation Module: Role of doctors in the society

1C. Orientation Module: History of Medicine and alternate systems, Pandemic management
(History of outbreaks, Epidemics and Pandemics)

1D. Orientation Module: IMG roles / overview MBBS curriculum
various career pathways

1E. Orientation Module : Principles of family practice

2. Skills Module:

35 HRS

2A. Skills Module: First Aid

2B. Skills Module: BLS

2C. Skills Module: Universal precautions

2D. Skills Module: Waste management, Pandemic module (hand washing)

2E. Skills Module: Immunization

2F. Skills Module: Documentation

3. Community orientation module

8 HRS

3A. Community Orientation Module: National Health goals and policies/ health Care systems/ community health

3B. Community Orientation Module: Interactions with patients and families, Communities.

4. Professional Development and Ethics Module (P&E)

40 HRS

4A. (P&E): Concept of Professionalism and Ethics

4B. (P&E): White coat Ceremony

4C. (P&E): Professional behaviour and altruistic behaviour

4D. (P&E): Working in a health care team

4E. (P&E): Disability competencies

4F. (P&E): Cultural competence

4G. (P&E): Stress management

4H. (P&E): Time management

4I. (P&E): Interpersonal relationship

4J. (P&E): Learning
