AMRITA SCHOOL OF BUSINESS, KOCHI

COURSE OUTLINE: MARKETING MANAGEMENT – I (MM201C)
MBA: 2017-2019

COURSE INSTRUCTOR: Sandhya G. COURSE OBJECTIVES

This foundation level course aims at developing a managerial perspective and understanding of marketing discipline. It will provide a basic grounding in marketing and introduce you to the marketing decisions in an organization and teach you to think like a marketer. Marketing management is the art of optimal manipulation of the marketing mix to achieve business goals. It includes activities such as Marketing Strategy, scanning the environment demand creation and product development, positioning, product differentiation, and brand management etc. This course is important to provide an understanding of the rationale for marketing decisions from a managerial perspective.

The course aims to provide you with an introduction to marketing and also an opportunity to apply that understanding. Specifically the course aims to help you...

- 1. Understand the strategic role of marketing and develop the ability to define and analyze the marketing problems dealt with by managers.
- 2. Understand analytical concepts and techniques being used in marketing.
- 3. To develop analytical skills in students and to understand that good decision making is a blend of both judgment and analysis tools and techniques.
