Principal Director,
CIR

The Department of Corporate and Industry Relations (CIR), through its dedicated, highly qualified and motivated trainers provide comprehensive support to all the students of the University, irrespective of the programmes they choose to pursue, so that they acquire the right knowledge and skills for their holistic development, academic progression and performance, with in the University and beyond in the organisations that hire them with the expectation that they will contribute in a large measure to the organisational performance, overall growth and long & short term goals.

If we go by the past record, our alumni have done us proud in their commitment to their profession, attitude toward their colleagues & superiors in the organisation and in their stellar performance even in the toughest of roles. We at Amrita, have tried to instil in the minds of our students, right from the day they set their foot in the campus, the imperative need to shape their thoughts on all the positive qualities, because we believe that if they shape their thoughts right, that will shape their destiny. And time and results have proved us right.

So, dear Corporate friends, here we are, offering you a host of talented, well groomed, young, soon to-be-graduates, who will enrich and empower your organisation.

Welcome to Amrita

# Corporate & Industry Relations

The Department of Corporate & Industry Relations (CIR) is a unique and dedicated department of "Amrita Vishwa Vidyapeetham", established to provide expert guidance to students in their career aspirations and also enable them to develop competencies that match their life's goals.

CIR empowers students with adequate Life Skills and domain skills so that they graduate from the University as competent and confident individuals who can take on the never-ending challenges posed by their workplace, be it industry, research laboratories, academia or business.

The University management has demonstrated its commitment to this important function by facilitating excellent infrastructure, human and other resources, in every campus.
