Our Group Medical Director & Provost Dr. Prem Nair with the prestigious Tharang Golden Honour for Global Excellence at the 98th India Medical Conference in Thiruvananthapuram organized by the Indian Medical Association (IMA).

Honourable Chief Minister of Kerala Pinarayi Vijayan honored, Our Group Medical Director & Provost Dr. Prem Nair with the prestigious Tharang Golden Honour for Global Excellence at the 98th India Medical Conference in Thiruvananthapuram organized by the Indian Medical Association (IMA). This significant recognition by the IMA celebrates Dr Nair's exceptional contributions to the field of medicine, highlighting his unwavering commitment to patient care and his influential role in shaping healthcare policies. His impactful endeavours in advancing medical knowledge and improving patient care have solidified his status as a distinguished.

Congratulations to you dear and respected Sir for all your efforts put in to bring Amrita Institutions as one of the top Medical Institutions in India. Prayers for the blessings & grace of Amma to guide us to be in flying colours and reach an uncomparable heights in all the fields advocated our beloved Amma.

There is no use in blaming destiny for anything and everything that happens in your life. It is all the fruit of your own actions. Be at peace and do your work in the present to make your future happy and blissful. Act properly and sincerely, and then if something goes wrong, you can consider it as your karma, destiny, or God's will.

Mother wants people to work hard in order to attain spiritual bliss. She does not want people to idle away their time in the name of spirituality. While people come to mother for varied reasons, She will somehow make them remember God.

Amma

MESSAGE FROM THE DESK OF THE CHIEF COORDINATOR OF AMRITA ALUMNI ASSOCIATION KOCHI CAMPUS

Dr. P. G Nayar,
Emeritus Professor
of Pharmacology.
Coordinator of Nodal Office for
Statutory Inspections.
Chief Coordinator for Campus
Alumni Association, AIMS, KOCHI.

This is the 7th Alumni magazine of this biannual series. This contains the forth batch students of all the Schools / Colleges and Centres of Kochi Campus. The speciality of this magazine is the regularity with which it is being launched in half yearly intervals. This magazine release took place during the Silver Jubilee year of our Amrita Institutions. Hence a very special function with musical bonanza by Vivekanand.V (Idea Star Singer Winner 2008 Asianet) was organized while releasing the Magazine.

The release of the Magazine preceded by a grand welcome speech given by Dr. Maya Rajan Peter (MDS 2010 Batch alumna) Reader, Dept. of Periodontics, School of Dentistry, AIMS. Dr. Zachariah Paul (MBBS 2002 alumnus) Nephrologist from AIMS garlanded Sampoojya Swamiji Purnamritananda Puri & bouquets were given to all the Principals & Heads of the eight Institutions of Kochi Campus.

Sampoojya Swamiji Purnamritanandapuri (General Secretary, Mata Amritanandamayi Math blessed the function with lamp lighting. His speech was very invoking the divinity in the atmosphere. Dr. Prem Nair, Provost & Group Medical Director gave the presidential address by specifying the importance of Alumni in any Institution in a students life. Bri. Sai Bala, President of the Amrita Alumni Association, Kochi Campus spoke about the procedural formalities for registering in the Kochi Campus Alumni website. A copy of the magazine was given to Sampoojya Swamiji by Dr. P. G. Nayar and Dr. Sidharth Viswanathan (MBBS 2002 Batch alumnus) Vascular Surgeon AIMS gave to Dr. Prem Nair. Dr. Manish Nair (MBBS 2002 & MD 2009 Batch alumnus) Interventional Radiologist at AIMS gave the copy of the magazine to Dr. Shanti Nair. Dean Research Nano Science.

All the Principals were given a copy of the magazine by their own alumni which can be seen in the following photographs. All of them were asked to open the first page as the symbol of release of the Silver Jubilee Magazine which had the photograph of our Union Home Minister Shri. Amit Shah along with Valiya Swamiji & Dr. Prem Nair, Mayor, and other ministers lighting the lamp and opening of the new research wing by Shri. Amit Shah. Faculties and staff members working above 15 & 20 years at AIMS, Kochi were felicitated with gold medal and a citation along with a gift of silk saree.

Introduction of the Chief guest followed by the musical event by Shri. Vivekanand.V who is an Engineer by profession and took to professional music by passion. The programs started with invoking the blessings of our beloved Amma. He started with a Carnatic music so strong and melodious which made everyone stuck to their chairs. He could render the songs on the request of audiences choice. He was also a talented violinist, hence for multiple requests he could deliver both vocal and violin mixed songs. Both seniors staff members and the younger students equally enjoyed the program.

Very Happy to inform that our MBBS seat increase NMC Inspection was successful and we got an increase of 100 to 150 seats. 🌹

2007 Batch MBBS students had their Alumni Meet in Kochi, they visited their alma mater and met all the teachers and the Principal & Medical Director and expressed their gratitude to all of them by giving a gift of plant in a porcelain pot and received their blessings. It was highly heart warming day for the Institution. 50% of the batch 2007 with their families along with their children gathered to celebrate the Alumni Meet.

Next came the Alumni meet of 2003 MBBS whose group photo alone is published in this magazine. Details will be given in the next magazine. On 29th of Dec 2023 a mega convocation of 5 campus of AIMS (Amritapuri, Coimbatore, Mysore, Bengaluru, Kochi) took place in Amrita Kochi campus.

I felt proud when I saw my students Dr. Srikrishnan & Dr. Sabareesh of EM both 2002 batch Alumnus now working in AIMS Kochi giving the degrees to Allied Health Science students during the convocation. Congratulations to both of you.

Dr Prem Nair, our MD and Provost received the prestigious Tharang Golden Honour for Global Excellence organized by IMA at the 98th Indian Medical Conference at TVM. Congratulations to you Sir for you were the pillar of strenght for the mammoth growth of this organization to the present level.

Amrita School of Arts and Science held their Alumni meet with a spectacular Sopanam music by an alumnus Shyam Krishnan S. A & dance programme by Haritha Thamban was a memorable item.

Life does not go smoothly all the time. A sad news I have to inform all of you in this magazine is that I lost a very dear student of mine. Dr. Ramesh Karunakaran Nair who went to US after his MBBS as he was an NRI student from the US was seen shot dead in his car in Michigan. This magazine contains condolence message for him. His passing away is a permanent loss for the Institution and his friends. He was so good, humble and noble in his heart. Our heartfelt condolences to the bereaved family.

I wish all our Alumni be blessed with ammas grace to prosper in their career and lead a peaceful life to spread & brighten Amrita`s name and fame wherever they go.

Dr P. G Nayar

*Polite was your way of life; Polish was your talk
Humble to the core; Heart of warmth & wealth
Cycling from hostel to hospital; Cynosure of all eyes
Never thought you are going for ever
Never you can go as you live in our hearts
We miss you beyond imagination
We miss your ever smiling gestures
God's way of treating us; Good ones reach him early
But you always live in our hearts.*

*Your's Ever loving

Introduction of 2005 Batch MBBS

In the earlier Magazine, we have given the details of 3rd Batch of MBBS Alumni. In this magazine we are giving the details of 4th batch ie., 2005 MBBS (admitted students) in AIMS, Kochi. This is being released during the period of Silver Jubilee year of Kochi Campus. In Amrita we are celebrating the event in a very grand way in an unprecedented manner. A grand music concert was conducted in our Auditorium during the release of the earlier Alumni magazine. Every top officials of all the Institutions of the Campus had attended the event.

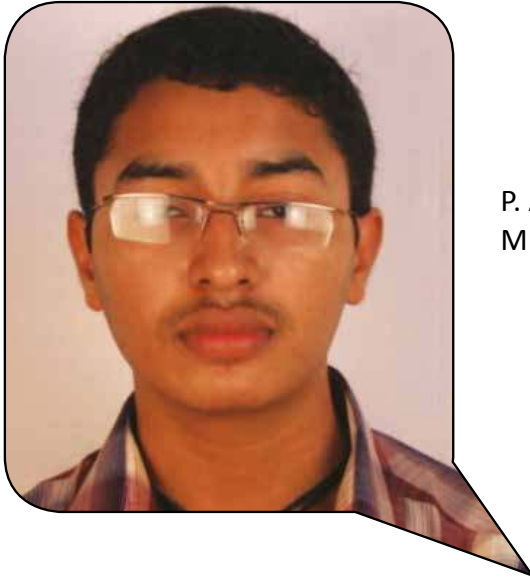

This batch has lost one of our bright NRI student from US who was shot dead in an unfortunate circumstances, and the condolence messages are conveyed in this magazine.

May our beloved Amma`s choicest blessings be showered on all of you and protect and direct your future in a safe path.

*With prayers for your welfare.

☎ 9484 - 2888 858, 9484 - 8888 858 | pulmonary@aims.amrita.edu

"It does not matter how you start or even how you finish, what matters most is how you rise each time you fall..." On behalf of Amrita Bronchology & Interventional Pulmonology (ABIP) I thank everyone for helping us to achieve this landmark.

The path leading to 1000 Rigid bronchoscopic procedures was filled with lots of struggles & multiple failures. There have been times when my name, age, place & capability was questioned. But the passion, hard work & the capability to think beyond the limits helped me & my team to fight against all the odds.

During our journey towards 1000 Rigid bronchoscopic procedures, we were fortunate to accomplish few unique things:

- A) Established India's 1st Advanced Interventional Pulmonology fellowship program in 2017
- B) Trained more than 25 doctors from different parts of the world in performing complex airway procedures
- C) World's 1st Trans bronchial Lung Cryo biopsy done in infants for diagnosing DPLDD) First in India to perform bronchial stenosis repair in new born using biodegradable airway stentE) Established point of care multidisciplinary complex airway disorder management clinic. I express my sincere thanks to Dr. Jamalul Azizi for being a fantastic teacher who helped me to master the art of Interventional Pulmonology, Dr. Sreeraj for being always there as a pillar of support, our bronchoscopy staff sudhi, Maya chechi, preethi sister & Akhil for all the hard work. All buddies (Hari, Deepak, Binil, vishnu, Narthanan, Sreevatsa, Sunil sir, Aziz sir, Amit sir & Shafeeq sir for never ending IP discussions), my wife Sania, kids, family members for supporting, motivating & above all tolerating me over the years. You can refer to the live video in the following link: <https://youtu.be/D7ZYUJcOPj4>

FICCI HEAL National Health care Meeting

As Chair of FICCI HEAL, national Healthcare meeting, I warmly invite all healthcare enthusiasts to participate and engage in meaningful conversation on 26th and 27th Oct at FICCI House, New Delhi, followed by much coveted FICCI healthcare awards.

The conference brings together global leaders, policymakers, industry experts, and healthcare professionals to discuss and collaborate on important healthcare issues and trends.

FICCI Heal aims to stimulate discussions, exchange best practices, and promote collaborations that can drive innovation, improve healthcare delivery, and address the challenges faced in the industry.

Global leaders will be sharing their insights, experiences, and expertise in various areas of healthcare, including policy-making, technology advancements, research and development, healthcare infrastructure, and patient care. The discussions and presentations cover a wide range of topics, such as digital health, pharmaceuticals, telemedicine, medical tourism, and public health.

This meeting will serve as a hub for thought leaders to come together and work towards improving health care outcomes and addressing the changing needs of patients and health care systems.

 Respiratory therapist at
 Caritas Institute of Health
 Sciences, Kottayam.

WHERE ABOUTS OF ALUMNI

Sana, 2013 batch MRT Alumna.

After graduating from Amrita, I spent a year working there, but my heart yearned for new horizons. I took a leap of faith, moving to the USA to pursue my dreams. Life in this new land was beautiful, yet my career faced challenges. Determined to work in the medical field, I confronted the ARRT requirements. Undeterred, I embraced the journey—hours of clinical practice, rigorous theoretical training, a post-baccalaureate, and a MS. Today, I proudly hold the ARRT certification, but my pursuit doesn't end here. I persist, driven to achieve even more in the ever-evolving landscape of my dreams.

- Sana

Devu Revathy Dileep
Respiratory Therapy
2012 Batch alumna
Works at Al-Zahra Hospital
Sharjah U.A.E.

AMRITA SCHOOL OF PHARMACY

REPORT ON ALUMNI MEET AMRITASMRTI 2023

“AMRITASMRTI 2023” the Pharma Alumni Meet was conducted on October 28, 2023 at Seminar Hall from 2pm- 5pm in hybrid mode. The meet aimed to provide a platform for alumni to reconnect with each other, network, and engage in fun-filled activities while challenging themselves and cheering their peers. Alumni from various batches of B.Pharm, Pharm D, M.Pharm and PhD were attended.

The Alumni Meet started with prayer song seeking the blessings of Almighty by Pharm D 2022 batch. The hosts of the event, Miss. Gowri Vijay and Miss. Gowri Rajesh (Pharm D 2022 Batch) invited the dignitaries to occupy the dais. Dr. Saiprabha VN, Alumni Coordinator of the school, welcomed all the dignitaries and all the alumni for responding to the invitation from their Alma Mater and being present for the alumni meet in spite of their busy schedule. The importance of maintaining strong ties with the Institution was emphasised. To start the occasion on an auspicious note, Principal Dr.Sabitha M, Chief Guest Dr.P.G. Nayar (Chief coordinator of Kochi Campus Alumni association), Alumni Committee members and two representatives from Alumni proceeded to the dais for the lighting of the lamp.

This was followed by the Presidential address by the respected Principal -Dr. Sabitha M. Madam emphasised the need to maintain a strong connection between the Alumni and the Institution and also the need to reconnect with the current students. She also stated the importance of alumni meet to be, conducted every year.

AMRITA

SCHOOL OF NANOSCIENCE
& MOLECULAR MEDICINE

AMRITA SCHOOL OF NANOSCIENCE & MOLECULAR MEDICINE

Dr. Sreelakshmi Krishnakumar
ASNSMM PhD 2022 Batch.

Congratulations to Dr. Sreelakshmi Krishna kumar on securing a prestigious Post-Doctoral Fellowship at the Alabama University Cancer Research and Training Center, USA. Her journey from Amrita School of Nanosciences

and Molecular Medicine (ASNSMM) to this incredible opportunity is truly inspiring. Dr. Krishnakumar graduated from ASNSMM in 2022 with a PhD, and her dedication to the field of research is truly commendable. She's been at the forefront of cutting-edge projects in bone augmentation, which have now reached the exciting stage of clinical trials. She is one of the most luminous alumni of ASNSMM, shining brightly as a testament to the school's commitment to excellence. We can't wait to see the incredible contributions Dr. Sreekumar will make in the field of cancer research, and we're proud to have such a remarkable alumna representing ASNSMM on the global stage. Join us in congratulating Dr. Krishnakumar and wishing her all the success and groundbreaking discoveries in her future endeavors, and Listen to Dr. Sreelakshmi share her insightful experiences, inspiring motivations, and educational journey at ASNSMM while also gaining valuable insights into the application and selection process of the fellowship.

Mincy Raj, ASNSMM 2010 Batch Studied PhD at University of Bristol. Senior Scientist at University of Bath, Lives in Bath, Somerset, England. Married to Aathish Bhanu, Studied MPH & Management & Leadership at The University of Sheffield

AMRITA SCHOOL OF NANOSCIENCE & MOLECULAR MEDICINE

CONGRATULATIONS

Dr. Shantikumar V Nair, Dean, has been selected as the recipient of the prestigious

FACULTY RESEARCH AWARDS
BY CAREERS360

for the Most Outstanding Researcher in the country in the field of Engineering

The selection process for this award was meticulous, involving the evaluation of research output in SCOPUS indexed journals, as well as citation count and h-index, and based on the averaged preferences of top 20 academics

Union Minister of State for Skill Development & Entrepreneurship and Communication, and IT, Shri. Rajeev Chandrasekhar, will present the award on October 6th, 2023, in New Delhi.

 AMRITA SCHOOL OF NANOSCIENCES AND MOLECULAR MEDICINE

Congratulations

ASNSMM - 2023 PG Graduates Alumni Placement details

Akhil.T.Thilakan,
Phd.Research Scholar
Regenerative Medicine Group
ASNSMM.

Our PhD student, Mr. Akhil T. Thilakan, working in the Regenerative Medicine Group at Amrita School of Nanosciences and Molecular Medicine, visited Uppsala University in Sweden as part of a collaborative biomedical research project between Amrita School of Nanosciences and Molecular Medicine, Amrita Vishwa Vidyapeetham, and the Departments of Medical Cell Biology, Medical Sciences & Transplantation & Regenerative Medicine of Uppsala University, Sweden funded by the Department of Science and Technology (DST) of the Government of India and the Swedish Research Council. During this visit, Mr. Akhil received training in isolating islets from mouse pancreas and assessing their functionality through glucose-stimulated insulin secretion. He also trained the Swedish student working on the project in developing an extracellular matrix (ECM) - mimicking collagen-based interpenetrating network hydrogel and encapsulating the islets within the nano porous capsule.

NANOSCIENCES &
MOLECULAR MEDICINE

Dr. Jayakumar
AMRITA SCHOOL OF
NANOSCIENCES &
MOLECULAR MEDICINE

Dr. Joey Lau
Björjesson
Uppsala University

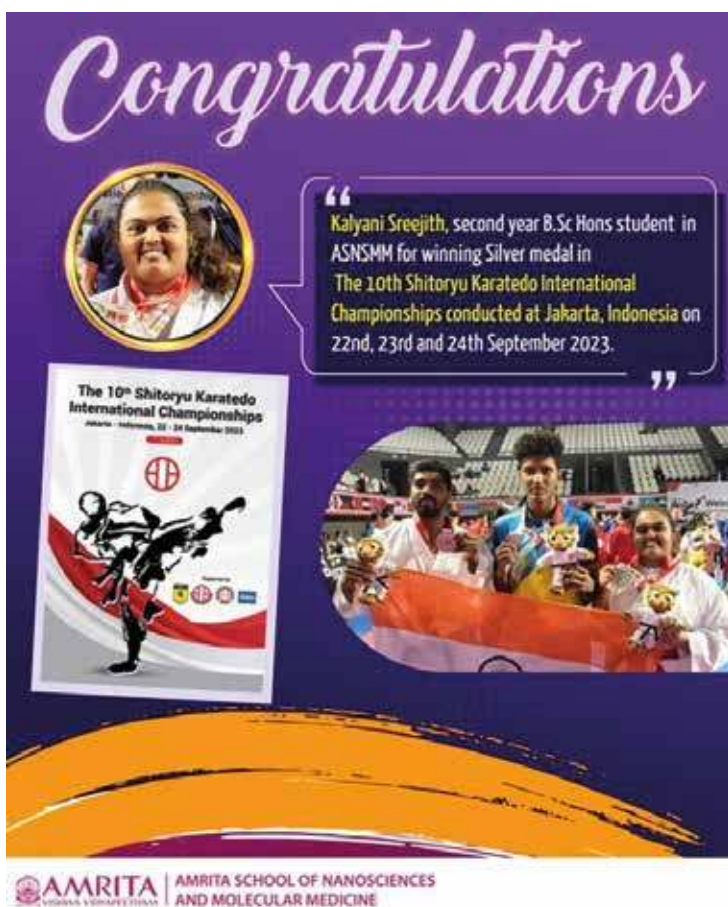

Ms. Julia
Tharmgren
Uppsala University

AMRITA AMRITA SCHOOL OF NANOSCIENCES
AND MOLECULAR MEDICINE

Join us on November 30th for an exciting Indo-Sweden Workshop on “Novel strategies towards diabetes management & cure” presented by the Amrita Centre for Nanosciences and Molecular Medicine, Amrita Vishwa Vidyapeetham, India, and Uppsala University, Sweden. This innovative workshop is part of the Indo-Sweden collaborative research project in the area of islet encapsulation and transplantation, generously funded by the Department of Science and Technology, India, and the Swedish Research Council.

For inquiries or early registration, reach out to us at binulans@aims.amrita.edu or depthymenon@aims.amrita.edu

ACHIEVEMENT

Congratulations to Kalyani Sreejith, second-year B.Sc Hons student at ASNSMM, for her outstanding achievement in winning the Silver medal at the 10th Shitoryu Karatedo International Championships in Jakarta, Indonesia on September 22nd, 23rd, and 24th, 2023! Your dedication and skill shine brightly, and we're incredibly proud of your accomplishment!

DR. NARENDRA PAI
MTech, Batch of 2014

- ACAP Research Fellow, Monash University, Australia
- Visiting Scientist, CSIRO, Canberra, Australia
- PhD, Monash University, Australia

DR. DIVYA BIJUKUMAR
Ph.D Alumni, 2018

- Assistant Professor, University of Illinois, USA
- Postdoctoral Researcher, University of Witwatersrand, Johannesburg, South Africa

ACHIEVEMENT

DR. VANI R

MTech, Batch of 2013

- Senior Scientist-Electrochemistry, Ohmium, Bengaluru
- R&D Team Lead, Elicius Energy, Chennai
- PhD, IIT - Madras

DR. OHM PRAKASH

M.Tech, Batch of 2012

- Senior Laboratory Research Scientist, The Francis Crick Institute, London, UK
- Postdoctoral Researcher, University of Liverpool, UK
- PhD, Hannover Medical School, Germany

DR. ANITHA AJITHKUMAR

Ph.D Alumni, 2018

- Senior Scientist, Mosa Meat, Netherlands
- Postdoctoral Researcher, UCLouvain, Belgium

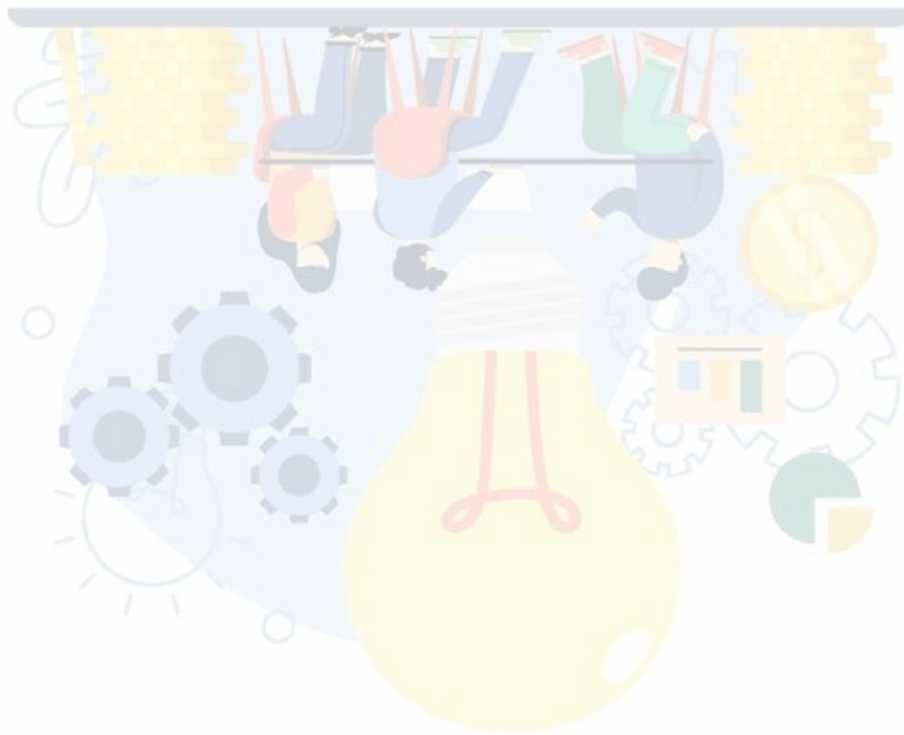

DR. RAGESH PRATHAPAN

Thanks & Gratitude

Our humble & heartfelt gratitude and thanks to our beloved Amma for providing us such a divine temple of learning, which made the younger generations to grow as responsible and graceful citizens. I thank Sampoojya Swamiji Amritaswarupanandapuri, President AVVP & Vice chairman Mata Amritanandamayi Math, Sampoojya Swamiji Purnamritanandapuri, General Secretary, Mata Amritanandamayi Math, for blessing us irrespective of the demanding time. Dr. Prem Nair, Provost & Group Medical Director, AIMS Hospitals, has shown an ever supporting and helpful in all the Alumni activities which secured the growth of Amrita Alumni beyond leaps & bounds. Dr. Shanti Nair, Dean Research AVVP & Director of ASNS & Molecular Medicine, Shri. M.V.G Thampi, Chief Program Administrator, ASAHS, Dr. Balagopal Varma, Principal ASD, Dr. K.T. Moly, Principal, College of Nursing, Dr. Sabitha M, Principal, ASP, Dr. Rajeev Prasad, ASB, Dr. Krishnakumar, Director ASAS & Dean Faculty of Arts, Media & Commerce have supported our campus alumni and its development in all possible ways. All the co-ordinators are so supportive and our thankful gratitude to all of them, especially the Alumni office staff Mrs. Smitha Nair and Nandana. As per our request 2003 & 2007 Batch of MBBS had conducted Alumni Meet outside the campus and this magazine includes all those photographs for you to relish the past. A special thanks to all of them.

Thank you so much to all our dear Alumni spread over the globe for your co-operation and wish Ammas grace be showered on all of you and your family.

HAPPY TO ANNOUNCE

**NMC APPROVAL FOR SEAT INCREASE
FROM 100 TO 150 SEATS IN MBBS
AT AMRITA SCHOOL OF MEDICINE,
KOCHI CAMPUS**

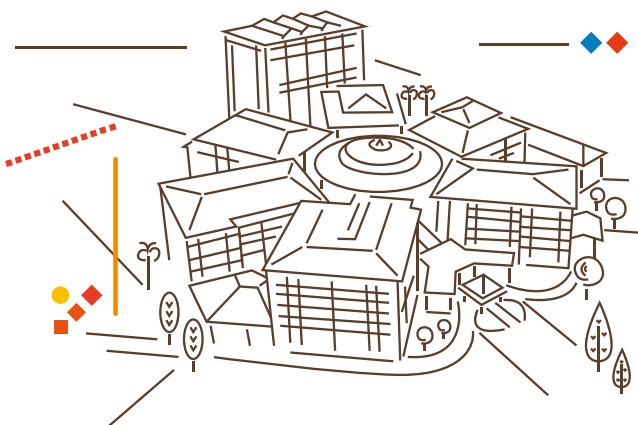

Inner peace always follows in the wake of pain. To reach the state of joy, you first have to experience pain. Pain in the beginning and lasting happiness at the end is far superior to happiness in the beginning and long-lasting pain at the end. Pain is an unavoidable part of life. Without having suffered in some way, you cannot truly experience or appreciate peace and happiness.

Once the Master begins to operate. He is not going to let you go, because no doctor will let his patient run away before the operation is over. The surgery performed by the Satguru is not very painful, compared to the worst condition of your disease, and in relation to the highest bliss and the other benefits that you will gain. Since the true Master is one with God, basking in Her overflowing love and compassion helps tremendously to lessen the pain.

Amma
